Memo for Record 28 February 196[illegible]

Subject: Discoverer

1. A meeting was held in Gen Estes office this date with the following officers:

Gen Estes	Col Andrews
Gen Preston	Col Geary
Gen Watson	Col Macri
Gen Bonskey	LTCol Dillon
	Maj Girard
	Maj Floyd

2. The objective of the meeting was to establish a group or committee to cover the Air Force action in the Discoverer Corona program. Gen Watson wanted broader Air Force participation and a working committee to insure that there are no details overlooked on the Staff.

3. Gen Watson also indicated that there are problems of obtaining the end results from CIA and would like to see the Air Force as the chief operating agency. It was pointed out by Col Geary and Gen Estes

over

that there are no problems with the present method of doing business and that the Air Force will be able to select targets and receive all the outputs from the program.

Gen Watson did not agree with this and would pursue this at a later meeting.
